Generator Supply and Commission Proposal

Premium Power Services, LLC is pleased to submit the following proposal to provide the equipment and services listed below. The services will be performed as per NFPA and the manufacturer's specifications.

Equipment/Services

Premium Power Services, LLC will provide the necessary labor, parts, equipment and supervision to perform the following:

Bortondale P/S:

- 1 Cummins Model C150D2RE Portable Diesel Generator Set
 - Output – 150 kW, 277/480v, 120/208v, 139/240v three phase and 120/240v single phase
 - Fuel Type – Diesel
 - Enclosure – Sound Attenuated Level II Rental Grade
 - Genset Warranty- Industrial Mobile Base, Prime 3 Years/3000 hours
- 1 Factory Start-Up
 - Start-up Service with Connected Load Test
 - 4 Hour Load Bank

Pricing

The scope of services will be performed for a total price of **\$156,909.00**.

Scope/Pricing Assumptions

1. Any additional troubleshooting or repairs are not included in the scope of services and will be completed on a time-and-material basis.
2. Taxes are not included and will be added, if applicable.
3. Pricing is based on performing the scope of service during normal business hours.
4. Pricing is valid for 30 days from proposal date
5. Fuel is not included in proposal but can be provided for an additional price
6. Proposal is for equipment supply only, installation onsite offloading/rigging, permits, fuel, inspections, NETA Testing is the responsibility of others.
7. Shipping to the jobsite is included in pricing.
8. Invoice will be sent once equipment is received.
9. Payment terms are Net 30.
10. A 2% transaction fee will be charged for credit card payments.

Thank you for the opportunity to provide a proposal for this project. If you have any questions, please do not hesitate to contact me at 610-444-1232.

Sincerely,

Keith Eller
