		Christine Cacciola 95 Kingston Rd Media, Pennsylvania 19063-1852  Date of service 12/1/23 Technician Pat Brady  Arrived on site and found alarm breaker off in panel. Homeowner said it goes off every single day when shower is being used I ask if he could run the shower to see what going on shower cycled 3 times turned on and shut off 30 seconds at 6.5 amps and all meter readings were correct. pulled pump for further evaluation and found chunks of grease in station cleaned it out the best I could everything checked out good with the pump I explained to customer again about not pouring grease down the drain he told me it not from them last time we were out here was same thing bunch of grease in the station and they were running two showers and the washer at the same time.
