		Repair DH648200 1109 Wooded Way Media PA  Date of service 6/9/22 Technician Dylan Rearick  Arrived on site, power to panel normal, and meter checks are fine. Pulled Dh648200, station clean and free of non-sewerables. Checks switches, stator, and controls on pump, everything normal. Reinstalled pump and attempted to contact homeowner to run water and test station, but no one answered door when it was knocked and doorbell rang repeatedly. Pump runs when manually called, and no odor of sewage present, but entire yard inundated with rain water.  Job complete.
