|     |           | <p>Replace DH431824 with new twp pump DH903390<br/>Glenn &amp; Deborah Ziegler (Upper Prov)<br/>40 Gordon Dr<br/>Media, Pennsylvania 19063-1940</p> <p>Date of service 8/6/24<br/>Technician Pat Brady</p> <p>Arrived on site and found station completely flooded. went to take meter readings but no power to the panel. I called phone number to get intouch with homeowner to to breakers back on in the house but no answer. pulled pump and do to age install new upper Providence core DH00903390 will have to return tomorrow morning to cycle the pump also station needs a 6" riser.</p> <p>8/7/24 pat<br/>Arrived back on site to cycle pump and there still was no power it seems that they are hooked up on a some kind of power module<br/>There is no power coming out to the panel I let her know she might have a bad breaker. She called to have an electrician come out .She said that she will call us back when power is back on.</p> |            |        |
