RE: Sanitary Sewer Operations Maintenance Supervisors Report- September- 2024

**1. Operational Status of the facilities & General Pump Station Status**

KBX performed the following general pump station repairs and observations:

**September - 2024-general pump station repairs:**

General Collections:

- 2/24/24- Responded to call of a broken force main located on Bortondale Road. Arrived onsite and discovered Peco had damaged the main while attempting to install a new telephone pole. Called in PA1 for utilities to be marked. Excavated to an approximate depth of 6' feet and located broken 4" main. Cut and removed broken section of force main. Installed new section of CR900 pipe and 2 hymax couplings. Back filled site of excavation with 3/4 stone and modified.

Bordtondale:

- 9/19/24-On site to review location for generator and flow meter read out.

Braves Trail:

- Routine Maintenance

Letitia Lane Pump Station:

- Routine Maintenance

Media Station:

- Routine Maintenance

Rose Tree Lower

- Routine Maintenance

Rose Tree Park

- Routine Maintenance

Rose Tree Upper

- Routine Maintenance

Toft Woods:

- Routine Maintenance

Valley View:

- Routine Maintenance

Winter Street:

- 9/26/24-Responded to a lag alarm. Tested both pumps. Both ok. Found relay partially out of position, pushed back into position, and observed proper operation before departure.

Recommendations for Repairs\*\*

\*\*\*Please inform us which repairs are the responsibility of the contractor who did the station build outs and upgrades and which you would like us to attend to/fix.

Please let us know if you have any questions or concerns.
