		DH914947  Carlo Russo (Upper Prov) 160 Gordon Drive Media, PA 19063  Date of service 11/14/24 Technician Sebastian Gonzalez  Arrived on site to find panel not in alarm. Performed meter readings and all readings were good to pump. Upon further inspection I noticed that every time I touched the breaker or even moved it a bit the breaker would trip and cause the panel to give off incorrect readings I swapped out breakers with good ones and once I finished everything was working fine. I ran pump to alarm 2 times and both times pump pumped everything down.  #DH00914947  Job complete
